Product Description

Laminate your documents for display and preservation. Three EZUse™ features on these thermal laminating pouches simplify the lamination process to quickly and easily deliver a high quality output. Speed format pouches are sealed along the long edge to help the pouch run through the machine faster.

Features

- Thermal lamination pouch includes visible EZUse™ features that magically disappear after lamination
- Alignment guides make centering documents easy
- Mil icons clearly identify pouch thickness to help you select best laminator settings
- Directional arrows indicate which edge of pouch should be loaded into laminator first
- UV protection prevents fading and discoloration over time
- 7 mil
- Letter size speed pouch is sealed on the long side enabling it to run through the laminating machine more quickly
- 100 pouches per box
